### Add/Edit Admin Window:

The 'Add/Edit Admin Window' interface features a list of existing administrators on the left and a form for adding or editing an administrator on the right. The list includes 'a', 'a2', 'default1', 'default7', 'default3', 'default4', 'a3', 'default5', 'b', and 'superuser1'. The form fields are: 'Administrator Login Name' (set to 'a'), 'Administrator Password' (masked with dots), 'Confirm Password' (masked with dots), 'Administrator Email' (set to 'tester@testmail.test'), and 'Administrator Access Level' (with radio buttons for 'Full Access' and 'Limited Access'). A 'Change Password' button is positioned next to the password fields. At the bottom, there are 'Add New', 'Delete', 'Save Changes', 'Revert Changes', and 'Close' buttons.

a	Administrator Login Name	a
a2	Administrator Password	••••••••
default1	Confirm Password	••••••••
default7	Administrator Email	tester@testmail.test

Buttons: Add New, Delete, Save Changes, Revert Changes, Change Password, Close

### Database Backup Restore Window:

The 'Database Backup Restore Window' displays a warning message: 'WARNING: Restoring to a backup is not reversible. You will lose all records between the date of your chosen restore point and now.' Below the warning is a 'Select Restore File' button. A text box shows the file path: 'C:\Users\Brandon Fowler\Documents\GitHub\ChildcareApp\ChildcareApplication'. At the bottom, there are 'Restore' and 'Close' buttons.

**WARNING:**  
Restoring to a backup is not reversible. You will lose all records between the date of your chosen restore point and now.
